

## **Chemtech-Ford Laboratories**

6100 South Stratler Ave.  
Murray, UT 84107  
801-262-7299

### **TO OUR CLIENTS REQUESTING COPPER/LEAD ANALYSIS:**

Sampling Instructions: With your copper/lead bottles you will receive a sample instruction handout. Deliver a handout and copper/lead bottle to the homeowner.

Chain of Custody: The chain of custody form must be filled in completely by the water district/company. The chain of custody needs to be completed with the homeowners address or name, date sampled, and time sampled. Be sure the bottle labeling corresponds with the chain of custody. Please indicate your system number.

Holding Time: **All samples must be returned to the laboratory within 14 days.**

Reporting to State: The water district/company is responsible for reporting all copper/lead data to the State. There is a specific form you must obtain from the State. You will need to rank (or list) all of the results from low to high. Our laboratory report must also be submitted along with the ranking sheet to the State.

**If you have any questions, please call Chemtech-Ford at (801) 262-7299.**

Thank You,

Sample Receiving
