USE POLICY

The results available on the Chemtech-Ford website located at www.chemtechford.com are provided as a matter of service and convenience for our clients. Only registered and authorized users are licensed to use the web data access site and only to their assigned accounts. Users will notify Chemtech-Ford promptly should any of their account information change. Chemtech-Ford does not sell or forward customer information and data to third parties unless requested to do so. Abuse and/or misuse of the web data access site will result in the immediate termination to the online user account.
